E 55 AMG	Planned Release July 2005	MSRP TBD
E 55 AMG Wagon	Planned Release July 2005	MSRP TBD

<sup>1</sup> = Does not include destination and delivery

## Modifications vs. Previous Year

### Options and Packages

- An all-new Premium Package featuring high-value options has been created for MY06. Specifically:

#### **MY06 Premium Package (526)**

- Glass Sunroof
  - Rear Window Sunshade (Rear Side-Window Blinds for Wagon models)
  - harman/kardon Logic 7 Digital Surround Sound System
  - CD Changer
  - DVD Navigation
  - Heated Seats (Active Ventilated with Heating Feature on E500 models)
- The value of these options would exceed **\$4,500**. However, if ordered through the Premium Package, they are available at **\$2,950**. Additionally, we have added a Premium Package with Panorama Roof (in place of the regular glass sunroof) which brings the same great value with the added benefit of the all-glass roof AND rear sunshade.
  - The pricing for the Lighting Package (code 319) has been reduced by \$210, and is now **\$990**.
  - The Appearance Package (code 322) for the E350 Sedan and Wagon no longer requires Airmatic DC Suspension, reducing the price over \$1,000 to **\$2,950**.

### Paints

- The following modifications will be made to the color matrix:

The following colors are new:

- Barolo Red (544) replaces Bordeaux Red (567)
- Iridium Silver (775) replaces Brilliant Silver (744)

Additionally, the following colors are deleted:

- Jade Black (185)
- Desert Silver (693)
- Midnight Blue (904)

- Special Order charges have also been eliminated, to further reduce ordering complexity.

## Modifications vs. Previous Year

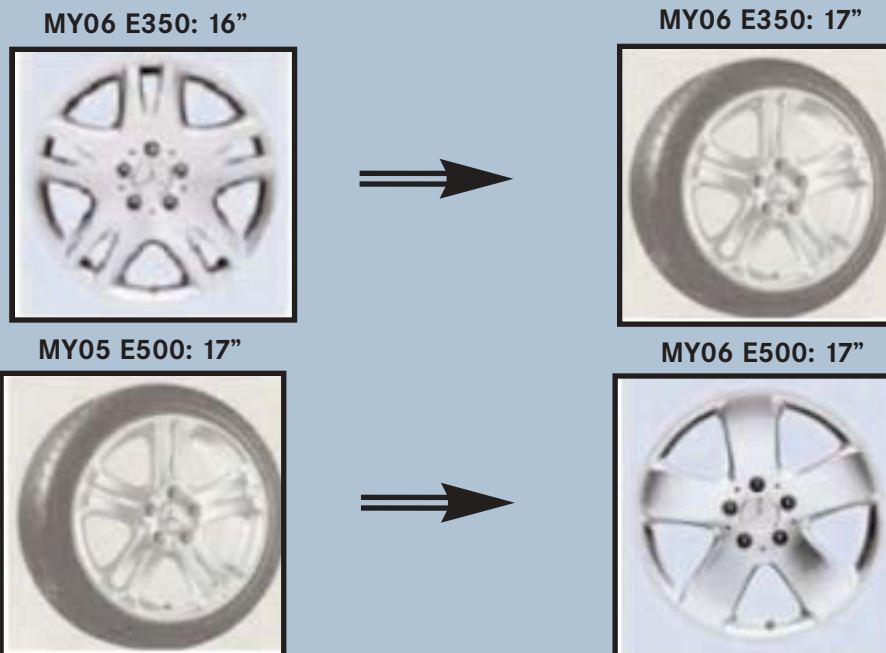

### Option and Package Changes

To further streamline the ordering process, we have reduced the number of stand-alone options and optional equipment packages. Specifically:

- 401 Active Ventilated Seats are available only with E500 and E55 AMG models as part of the 526/626 Premium Packages
- 413 Panorama Roof is only available as part of the 626 Premium Package
- 432 Drive-Dynamic seats are now exclusive to E55 AMG vehicles
- 475 Tire Pressure Monitoring System has been deleted. A modified version of TPMS is now standard on all E-Class vehicles
- 323 Heating Package, which included Heated Seats and Heated Steering wheel, has been deleted. For Heated Seats, please order as a stand-alone option (code 873) or within the 526/626 Premium Packages.
- 325 Rear Seat Package, which included Split Folding Rear Seats and pass-through with Ski Sack for \$540, has been replaced with 287 Split Folding Rear Seats at a reduced price of \$300

### Wheels

As a running change to MY06 E350, and new with MY06 E500, the following changes will occur:

Please note: E320 CDI and AMG Models will retain their current wheels

## Positioning

### Class

- A vehicle built on the reputation, quality and value which only Mercedes-Benz can deliver. Driven to set new benchmarks for contemporary style, luxury and design.

### Model

- E 350 Sedan
  - The volume leader. Outstanding value, and all the expected qualities of a luxury sedan.
- E 320 CDI Sedan
  - A fuel efficient, performance oriented addition that will change customer perceptions of diesels.
- E 500 Sedan
  - A performance sedan boasting power and handling with the luxury and comfort of a 4-door Mercedes.
- E 350 Wagon
  - Versatile, spacious complement to the E-Class lineup, encompassing car-like styling in a vehicle supportive of sporty active lifestyles.
- E 500 Wagon 4MATIC
  - The ultimate luxury wagon with an exceptional combination of power, spaciousness and comfort.
- E 55 AMG
  - The most powerful Mercedes-Benz E-Class yet. With its AMG supercharged 5.5 liter V8 engine, AMG SpeedShift transmission and high-performance braking system, the E 55 AMG offers extraordinary performance combined with a dynamic appearance and sporty, comfortable interior.
