

# MY 2006 SL-CLASS MODEL RANGE

Mercedes-Benz

SL 500	Released July 2005	\$92,900
SL 600	Released July 2005	\$130,900
SL 55 AMG	Released July 2005	\$125,000
SL 65 AMG	Released July 2005	\$185,000

## Positioning

### Class

- The SL is the ultimate sports GT in the world

### Model

#### SL500

- Based on the legendary MB Roadster heritage, the SL-Class forms a unique combination of:
  - Futuristic, thrilling styling elements
  - Exhilarating driving dynamics
  - Advanced technology
  - Innovative amenities

#### SL600

- Most exclusive, luxurious vehicle within SL-Class
- Focus on luxury, sophistication and refinement

#### SL55 AMG

- First AMG SL in the US
- Competes with true exotic sports cars

#### SL65 AMG

- Limited production vehicle
- Most powerful production Mercedes-Benz SL model ever offered
- Highest performance SL appeals to discriminating enthusiast owners of multiple Mercedes-Benz vehicles

## Optional Equipment Availability

## Product Highlights- AMG Performance Package

A NEW  
DRIVING  
DIMENSION.

THE SL 55 AMG PERFORMANCE PACKAGE

- 19" AMG two-piece alloy wheels and staggered-width tires<sup>1</sup>
- Active Body Control (ABC) with AMG "Nürburgring" calibration
- AMG compound front brakes
- AMG locking differential
- AMG Formula One "Safety Car" front apron
- 186-mph top speed<sup>2</sup>

### The AMG experience—heightened.

Every Mercedes-AMG automobile is born on the racetrack. The performance leadership of countless racing champions is its provenance. The finely honed instincts that can only come from 35 years spent developing, crafting, testing and winning are its natural aptitude. Remarkable poise under extreme pressure is its confident character.

From its handcrafted 493-hp supercharged V-8 engine to its ultraprecise Active Body Control (ABC), a Mercedes-Benz SL 55 AMG can engage its fortunate driver in an emotionally elevated experience on any day, on any stretch of pavement.

The SL 55 AMG Performance Package takes you even higher. The upgraded wheels, tires, brakes and differential have been proven on the tracks of Formula One racing. AMG has reprogrammed the ABC to a "Nürburgring" calibration—with 20 percent firmer front and rear damping rates for both compression and rebound—inspired by the world's most revered racetrack. Styling is subtly enhanced inside and out, starting with a front apron design taken from the SL Safety Car built to pace Formula One races. The SL's escalated enthusiasm is met with a 20-percent increase in top track speed—making it abundantly clear where the motivation that drives the SL 55 AMG Performance Package began.

Vehicles are shown with non-U.S. equipment.

<sup>1</sup> AMG 19" wheels and accompanying high-speed-rated tires provide substantially increased treadwear and reduced ride comfort compared to H-rated tires. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces or upon encountering road debris or obstacles. <sup>2</sup> Electronically limited. Obey speed laws.

Mercedes-Benz

## Product Highlights- AMG Performance Package

Vehicle is shown with non-U.S. equipment.

### SL55 AMG Performance Package Option Code 030

AMG Safety Car front bumper with side air extractors

Alcantara-trimmed AMG sport steering wheel

186-mph (300-km/h) top track speed<sup>1</sup> (electronically limited)

Active Body Control (ABC) active suspension with AMG "Nürburgring" calibration

AMG compound braking system

- 15.0" compound two-piece perforated and ventilated front discs with AMG 8-piston calipers
- 13.0" perforated and ventilated rear discs with AMG 4-piston calipers

Staggered-width 19" two-piece AMG double-spoke alloy wheels and high-performance tires<sup>2</sup>

- Wheels: 8.5x19" front—9.5x19" rear, Sterling Silver finish
- Tires: 255/35 ZR 19 front—285/30 ZR 19 rear

AMG locking differential

<sup>1</sup> Obey speed laws. <sup>2</sup> AMG 19" wheels and accompanying high-speed-rated tires provide substantially increased treadwear and reduced ride comfort compared to H-rated tires. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces or upon encountering road debris or obstacles.

Product Highlights - Exterior

AMG 19" twin-spoke multi-piece alloy wheels

SL65 AMG badging

Rear fascia with black mesh grill

V-12 AMG sport exhaust with chrome dual exhaust pipes

## Product Highlights - Exterior

Formula 1 inspired front air dam with black mesh grill, special intake and heat extractors

"V-12 BiTurbo" badging

AMG 19" front wheel with 15.4" Ventilated Compound Disc and AMG 8-piston fixed caliper

## Product Highlights - Exterior/Interior

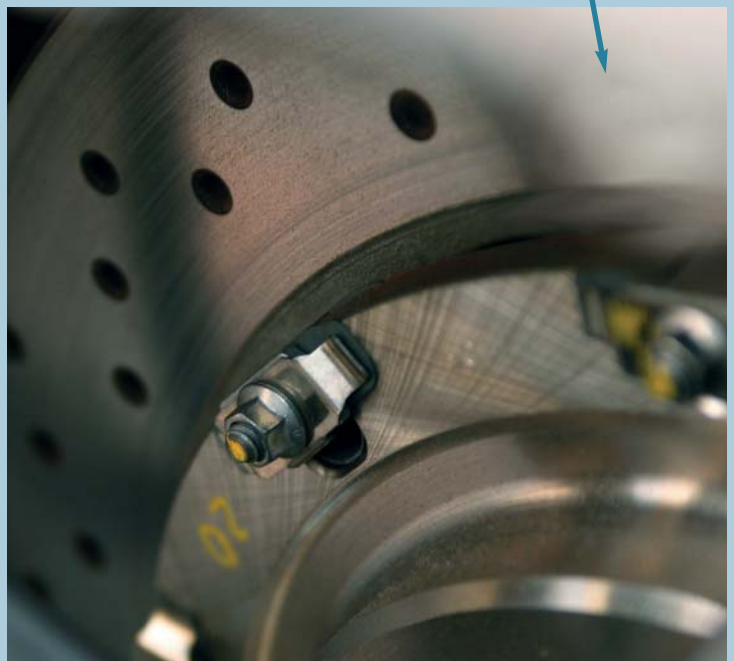

AMG sport steering wheel with gearshift buttons

New Black leather interior (Code X11 \$3,750 additional charge) and Black Ash wood trim (Code 736) shown

AMG 6.0 liter V-12 BiTurbo engine

AMG compound braking system with two-piece rotor and hub assembly

AMG Instrument Cluster with 220 mph speedometer and V-12 BiTurbo badging

## Product Highlights - Technical

### Engine, Drivetrain & Performance

- AMG 6.0 liter twin-turbo V-12
- 604 hp @ 4,900-5,500 rpm
- 738 lb-ft @ 2,000-4,000 rpm
- 0-60 mph acceleration in 4.2 seconds
- Electronically-limited top speed of 155 mph
- AMG locking limited slip differential
- AMG SpeedShift transmission with steering-wheel-mounted controls for manual gear selection

### Chassis

- AMG modified ABC Active Suspension System (with Sport Mode)

### AMG High-Performance Braking System

- AMG compound braking system with two-piece rotor and hub assembly for 25% reduced weight/increased cooling
- Front: cross-drilled, internally ventilated 15.4" brake discs with silver AMG 8-piston calipers
- Rear: cross-drilled, internally ventilated 13.7" brake discs with silver AMG 4-piston calipers
- AMG modified performance SBC and ESP settings

### Wheels

- AMG 19" twin-spoke multi-piece alloy wheels
- 255/35 (front) 285/30 (rear) ZR high-performance tires

### AMG Sport Exhaust System

- AMG Dual exhaust system with sport mufflers
- Enlarged pipe diameters
- Four AMG chrome exhaust tips

## Modifications vs. MY 2005

### Paint

- New Color available for SL500/SL600: Iridium Silver (775)
- No longer available for SL500/SL600: Orion Blue (345), Desert Silver (693), Brilliant Silver (762) and Everest Green (816)

### Equipment

- SIRIUS Satellite Radio no-cost option including 6-month subscription (available as factory option only)
- Run-Flat Tires now available for SL500 and SL600
- Bi-Xenon Headlamps now includes Corner-Illuminating Foglamps (code 619, not available in conjunction with AMG Sport Package)
- Tire Pressure Monitoring System now standard on all models
- New Sport Package wheel
- Keyless Go and Heated Steering Wheel standard on SL600 - phone now optional
- CD Changer is MP3 capable
