SLR McLaren Roadster Soft-Top Highlights

- Unique soft-top of the SLR Roadster: its fabric has been woven out of two differently colored yarns and changes color depending on which angle it is viewed
- 3 roof colors to choose from: Anthracite-Black, Beige-Black or Red-Black
- Structure and aerodynamic optimization of the soft-top ensure that coefficient of drag of the SLR Roadster is virtually on par with that of the Coupe
- Wind noise has been kept to a minimum
- 4" high draft-stop keeps cockpit air-swirl to a minimum
- Semi-automatic roof mechanism
- Fabric roof with heated glass rear window
- Fixed roll bars behind seats, leather-wrapped
