THE 2009 GLK-CLASS  
**REFERENCE GUIDE**

GLK350 4MATIC

# 2009 GLK-CLASS | MODEL RANGE & MODEL YEAR HIGHLIGHTS

MODEL	GLK350 4MATIC
BAUMUSTER	204.987
RELEASE DATE	DECEMBER 2008/JANUARY 2009
MSRP	TBD

GLK350 4MATIC

## MODEL YEAR HIGHLIGHTS

DESIGN

- Introduction of the all-new GLK-Class, 5-passenger compact SUV
- Standard:
  - 19" aluminum wheels with all-season tires
  - Panorama sunroof
  - Exterior chrome accents
  - Dual chrome exhaust tips
  - Privacy glass
  - Burl Walnut interior wood trim
  - MB-Tex upholstery
  - Roof rails

COMFORT & CONVENIENCE

- Bluetooth interface for hands-free calling
- Central controller with 5-inch color display
- 8-way power driver and passenger seat
- Dual-zone automatic climate control
- Leather multifunction steering wheel
- Optional COMAND system with hard-drive navigation, 7-inch color display and in-dash 6-disc DVD/CD changer

PERFORMANCE

- 7-speed automatic transmission with Comfort and Sport shift program
- Standard 3.5L 268 hp V6 engine
- 4MATIC 4-wheel drive

SAFETY

- Anti-theft alarm system
- 6 airbags
- Tire pressure monitoring system
- Crash-active head restraints
- AGILITY CONTROL suspension system with selective damping system
- ETS/ESP®, 4-ETS/4-ESP®(4MATIC)
- Adaptive brakes (hill start assist, dry braking, pre-pressure)
- ESP® trailer stabilization system

## 2009 GLK-CLASS | VEHICLE SPECIFICATIONS / TECHNICAL DATA

MODEL		GLK350 4MATIC
ENGINE	ENGINE SIZE AND TYPE	3,498 cc 24-valve V6
	NET POWER	268 hp @ 6,000 rpm
	NET TORQUE	258 lb-ft @ 2,400-5,000 rpm
	FUEL TANK (CAPACITY—RESERVE)	17.4 gallons/2.1 gallons
	DISPLACEMENT	3,498 cc
DRIVETRAIN	DRIVE CONFIGURATION	4-wheel drive
	ELECTRONIC STABILITY PROGRAM (ESP®)	ESP compares the driver's intended course, via steering and braking inputs, to the vehicle's response, via lateral acceleration, rotation (yaw) and individual wheel speeds. ESP then brakes individual front or rear wheels and/or reduces excess engine power as needed to help correct understeer (plowing) or oversteer (fishtailing). ESP also integrates all-speed traction control, which senses drive-wheel slip under acceleration and individually brakes the slipping wheel or wheels, and/or reduces excess engine power, until control is regained. <sup>1</sup>
TRACTION/STABILITY	4-WHEEL ELECTRONIC TRACTION SYSTEM (4-ETS®)	4ETS monitors the speed of all four wheels to detect wheel slip, then applies individual brakes as needed (to provide the effect of locking the front, rear and/or center differentials) and/or reduces excess engine power. 4ETS continually balances the torque split to help ensure that power is permitted to flow to the wheel or wheels with traction. <sup>1</sup>
	ACCELERATION, 0-60 MPH <sup>2</sup>	6.5 sec. (est.)
PERFORMANCE	FUEL ECONOMY, EPA ESTIMATE <sup>3</sup> / HIGHWAY ESTIMATE <sup>4</sup>	TBD
	TOWING CAPACITY <sup>5</sup> (CLASS II)	3,500 lbs.
	TURNING RADIUS	37.7 ft.
	FRONT SUSPENSION	3-link front suspension with reduced servo assistance required at large steering angles
CHASSIS	REAR SUSPENSION	Multi-link independent rear suspension offering outstanding comfort and exemplary agility
	SUSPENSION	The GLK is equipped with the AGILITY CONTROL suspension with amplitude-selective damping system as standard
WHEELS/TIRES	WHEELS, ALUMINUM ALLOY	Standard: 19" 10-spoke light-alloy wheel Optional: 20" 7-spoke light-alloy wheel
	TIRES, STEEL-BELTED RADIAL	Standard: 235/50 R19 (all-season H) Optional: 235/45 R20 (all-season W)
BRAKES	BRAKE SYSTEM	Dual-circuit hydraulic braking system
	ANTI-LOCK BRAKING SYSTEM (ABS)	ABS senses impending wheel lockup under heavy braking and pumps the front brakes individually or the rear brakes together (to help maintain stability) as needed up to 30 times per second, to prevent lockup and maintain steering ability. With off-road driving program selected, automatic loose surface program helps shorten stopping distances from speeds under 18 mph.
	BRAKE ASSIST (BAS)	BAS senses emergency braking via the speed at which the driver presses the brake pedal and immediately applies maximum available power boost, potentially reducing the overall stopping distance by eliminating the delay caused by a common human tendency not to brake hard enough, soon enough. Letting up on the brake pedal releases Brake Assist. <sup>6</sup>
EXTERIOR DIMENSIONS	WHEELBASE	108.5 in.
	OVERALL LENGTH/HEIGHT/WIDTH <sup>7</sup>	178.2 in./66.9 in./79.4 in.
	CURB WEIGHT	4,036 lbs.
INTERIOR DIMENSIONS	HEADROOM FRONT/2ND ROW	39.0 in./39.7 in.
	LEGROOM FRONT/2ND ROW	41.4 in./35.1 in.
	SHOULDER ROOM FRONT/2ND ROW	55.2 in./55.4 in.
	CARGO VOLUME <sup>8</sup> ALL SEATS UP DOWN/2ND ROW DOWN	23.3 cu. ft./54.7 cu. ft.

1 No system, regardless of how advanced, can overcome the laws of physics or correct careless driving. Please always wear your seat belt. Performance is limited by available traction, which snow, ice and other conditions can affect. Always drive carefully, consistent with conditions. Best performance in snow is obtained with winter tires. 2 Stated rates of acceleration are based upon manufacturer's track results and may vary depending upon model, environmental and road surface conditions, driving style, elevation and vehicle load. 3 2008 EPA estimated fuel economy. Compare the estimated mpg to the estimated mpg of other vehicles. You may get different mileage depending on how fast you drive, weather conditions and trip length. 4 Your actual highway mileage will probably be less than the highway estimate. 5 With trailer hitch kit and trailer brakes. Please read Operator's Manual before towing. 6 Braking effectiveness also depends on proper brake system maintenance, and tire and road conditions. 7 Width with mirrors folded out. 8 Unsecured cargo can become hazardous in a collision. Always secure cargo using the floor-mounted tie-downs.

# 2009 GLK350 4MATIC

MSRP: TBD<sup>9</sup>

SPECIFICATIONS	Engine	3.5L DOHC 24-VALVE V6
	Power	268 HP @ 6,000 RPM
	Torque	258 LB-FT @ 2,400-5,000 RPM
	Transmission	7-SPEED AUTOMATIC
	Acceleration	0-60 MPH: 6.5 SECONDS <sup>2</sup>
	Wheels	19" 10-SPOKE LIGHT-ALLOY

Central controller with 5-inch display

- STANDARD EQUIPMENT HIGHLIGHTS
- Burl Walnut wood trim
  - Panorama sunroof
  - Privacy glass
  - Fog lamps
  - Exterior chrome accents
  - Dual chrome exhaust tips
  - Central controller with 5-inch display
  - Bluetooth interface for hands-free calling

GLK350 4MATIC

<sup>2</sup> Stated rates of acceleration are based upon manufacturer's track results and may vary depending upon model, environmental and road surface conditions, driving style, elevation and vehicle load .  
<sup>9</sup> MSRP excludes destination and delivery charge of \$875.
