Product Highlights

The Grand Edition Medallion

The Shoeckl is a mountain close to the factory in Graz, Austria, where the G-Class is built. It is often used for real-world testing of the G-Class' off-road capabilities

Actual size about 2 1/2" in diameter

The Grand Edition G-Class

- Current Year 2005 will officially be the last year the G-Class will be produced for the United States
- To commemorate this milestone, MBUSA will introduce the "Grand Edition" G-Class
- Only available as a Limited and numbered Edition vehicle
- The Grand Edition will be offered for both the G500 and G55 AMG
- No regular G-Classes will be available for production after June 2005 - all G-Classes will be produced as "Grand Editions"
