	FUEL ECONOMY (CITY/HWY) ³	14 mpg/21 mpg	11 mpg/17 mpg	11 mpg/18 mpg	11 mpg/17 mpg

¹ Lower aspect ratio tires and accompanying wheels provide substantially increased treadwear, tire noise and reduced ride comfort. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces or upon encountering road debris or obstacles. These tires are not designed for use on snow and ice. Winter tires mounted on appropriately sized and approved wheels are recommended for driving in those conditions. ² Stated rates of acceleration are based upon manufacturer's track results and may vary depending upon model, environmental and road surface conditions, driving style, elevation and vehicle load. ³ Compare the estimated MPG to the estimated MPG of other vehicles. You may get different mileage depending on how fast you drive, weather conditions and trip length. Your actual highway mileage will probably be less than the highway estimate.

2009 CL550 4MATIC

MSRP: \$107,900⁴

SPECIFICATIONS

Engine	5.5L DOHC 32-VALVE V8
Power	382 HP @ 6,000 RPM
